

# LUCKETT & LILES

WE HELP PEOPLE AND ORGANIZATIONS CULTIVATE HABITS OF EXCELLENCE,  
BLENDING PROVEN STRATEGIES WITH NEW WAYS OF THINKING.

## Differentiators

We apply relevant parts of human-centered design to develop straightforward solutions to intractable problems.

We use cognitive science as a change management and teaching tool, helping analytical thinkers embrace new ideas.

We balance quantitative and qualitative methods—datasets vs. individual experiences—to understand behavior, context, and root cause.
